## About

Fernando Tiberini is an internationally acclaimed multilingual awards host, conference facilitator and master of ceremonies in English, Italian, French, German, Spanish, Brazilian Portuguese and Russian.

He specialises in engaging any audience by incorporating their native languages, whatever they may be.

☒ From exclusive private events and high-end award shows or gala dinners through to film shoots for BMW or personalised international corporate events, Fernando brings his charismatic, professional style and flair to any atmosphere, including:

- Gala dinners
- Awards ceremonies
- Exclusive private events
- Conferences
- Trade shows
- Product launches
- Commercials
- International sports events

Fernando has studied English and German Literature and Linguistics at Zurich University and holds an MA from the Sorbonne University in Paris. He studied acting at the Stella Adler Conservatory and HB Studio in New York, as well as film editing at the Spanish Film School (ECAM) in Madrid.

He has travelled extensively, both for work and pleasure, through all of Europe, Russia, Africa, North and South America, South-East Asia, Australia and New Zealand.

## Testimonials

“

In addition to his six fluent languages we love that Fernando can now enable us to engage with our Russian-speaking audiences as well. There is no one we know of that can do what Fernando does.

Lucía Sivertsen, Brand & Market  
Communication Volvo CE

“

Fernando really delivered for us at our principal European trade show IFA in Berlin... to conduct multiple language interviews over a space of 24 hours. A consummate professional, he delivers immediate value and we can highly recommend him.

Edd Uzzell, European Consumer  
Marketing Manager Sony

“

Fernando is the voice and soul of our International MINI Dealer Experiences. He is always very well prepared and extremely consistent in delivering messages across multiple languages. We trust him to present to thousands of our closest business partners.

Marc Lengning, Head of MINI Brand  
Management

“

During one of our recent international conventions, Fernando facilitated our gala dinner in more than five languages. His energy was infectious, his stage presence captivating and he set the tone for a relaxed and convivial evening.

Yves Romestan, Director of Group  
Communications Alliance Boots

“

Having successfully entertained our 650 international guests in Venice in 2017, skilfully switching between languages during the show, we were so impressed we invited him back to moderate the Award ceremony in Paris in 2018.

Jana Mittermaier, Director External  
Communication, European Patent Office
