About

Andy Hamilton is a TV favourite who has made a name for himself over the years with his original comedy writing. Whether he is dealing with family life in *Outnumbered* or politics in *Ballot Monkeys*, a 'real-time' sitcom about the 2015 General Election, Andy just gets it right.

Andy is a regular on Radio 4 panel shows and TV quizzes such as *Have I Got News For You* and *QI*. Starting out with *The Two Ronnies*, *Smith and Jones* and *Not The Nine O'Clock News*, Andy went on to create *Drop The Dead Donkey*. With co-creator Guy Jenkin, he wrote sixty episodes and the series won a BAFTA, two Emmys and three Writers Guild Awards.

He is the voice of Dr Elephant, the dentist in the children's show *Peppa Pig*. He was also the original voice of Bob Fish, who is also a dentist, in the cartoon *Bob and Margaret*. Hamilton is also voice of Captain Squid, the pirate in the children's show *Ben & Holly's Little Kingdom*.

On 16 March 2007, Andy Hamilton co-presented BBC Radio 4's *Woman's Hour* programme alongside usual presenter Martha Kearney as part of that day's Comic Relief fundraising activities after defeating Richard Hammond and Kelvin MacKenzie in a poll.
