About

Joel Dommett burst onto the comedy scene in 2007 and quickly established himself as one of the most energetic and exciting comedians. He won Stand Up and Coming New Act of the Year in 2008, and was a finalist for English Comedian of the Year in 2009.

Joel has become a regular face on TV, including being a regular on Sky 1's Bring the Noise alongside Nicole Scherzinger, a team captain on ITV2's comedy show Reality Bites, appearing on Russell Howards' Good News and E4's Skins.

In 2016 he became a contestant on I'm A Celebrity... Get Me Out of Here!, where he survived until the final, and finished in second place.

In 2017 Joel Dommett went on his UK tour with two shows at London's Hammersmith Apollo and over 80 dates all around the country.
